### Find out what your talents are.

Strengths Explorer, powered by Gallup, will help uncover your talents and reveal your potential strengths to you and the people in your world. From there, you will begin a wonderful journey of discovery, and you'll have the tools you need to make the most of your talents.

#### Quick tips:

1. You'll answer 78 short questions.
2. **You can only take this once.** (Your school can't reset this for you.)
3. You can't go back and change your answers as you progress.
4. Your answers are automatically saved, but we recommend finishing it in one sitting.
