

OCTOBER 15, 2019 Carlmont 8th Grade Parent Info Night

6:00 p.m. – Campus Tours begin in the Quad

7:00 p.m. – Presentation in the Performing Arts Center

This 8th Grade parents only night provides a broad overview of the academic program at Carlmont. After campus tours, there is a brief introduction from Carlmont Principal Ralph Crame and information about elective and athletic programs. Parents will then attend classroom presentations from Carlmont teachers in **Math, Science, English and Social Studies**.

Any parents interested in learning more about IEPs and Special Education in the Sequoia Union District can attend a general info and Q&A session with a representative on campus from 6:15-6:45pm; you may attend a tour at 6pm or go directly to classroom F12.

NO RSVP Required

Please Note: Touring the Carlmont campus includes a lot of slopes and climbing stairs. We can provide an adjusted tour upon request for anyone with mobility challenges. Please email chris@cookhomes.net to make arrangements.
