College Coursework

- If you took a Dual Enrollment and/or Concurrent Enrollment course - add it here.
 - Dual Enrollment is when you take a course at Carlmont & receive college & high school credit
 - Concurrent Enrollment is taking a course at a community college.
- Report each college only once, even if you had gaps in the dates of attendance. So, if you attended a community college for two different summers, write in the community college once in this section and indicate the first and last semester taken.
- CSM, Canada and Skyline offer semester courses.
- Academic status will always be Freshmen.
- These courses should **NOT** be listed on High School Coursework section
- If you took a community college course Spring-Summer 2020 you are allowed to enter the grade that is indicated on your community college transcript.
- If you took two summer courses during different summers at a Community College indicate Summer 1 for the first summer and Summer 2 for the second summer.

Academic History - Standardized Testing

Freshman Applicants: ACT and SAT test scores will not be used for any admission purposes and applicants are not required to submit these scores.

If you took the ACT or SAT and already sent your scores to a CSU campus, you can add your information and College Board or ACT ID number below. If you have not sent your scores to a CSU campus, no further action is needed at this time. If you are accepted and you elect to submit your SAT and ACT scores, these results will only be used as one of the measures to place you in the proper mathematics and English courses.

Academic History - Standardized Testing

Add AP exams you took and/or plan to take.

This section is optional. Colleges like to see follow through in regards to taking the exam after completing the course.
