

Coalition Applications Tips

[Click here for application](#)

The Coalition Application is used by a few colleges. Most of the colleges that accept Coalition Application also accept the Common App.

On each page of the application there is a Profile Help option.
This option will give you details of each page.

The screenshot shows a user interface for a profile application. On the left, there is a sidebar with a progress indicator 'Profile 11%' and a 'GENERATE PROFILE PDF' button. Below that is a 'Profile check' toggle switch currently set to 'Off'. A red arrow points from the bottom text to this toggle. The main content area is titled 'Personal Information' and includes a 'Profile help' link in the top right corner, also indicated by a red arrow. Below the title, there is a section for 'Answer the questions in this section in order to apply to: [152 Coalition colleges](#)'. A legend indicates '* = Required'. At the bottom of the main area, the 'Coalition Account ID' is shown as '08921564' with an 'Edit' link.

When the Profile Check option is On - it will highlight
which required items need to be completed.

Coalition Essay

Choose one essay from the list of 5.

Choose a prompt that allows you to show who you are.

Very Important: Answer the prompt.

Write about you, not someone else.

Some colleges using the Coalition Application will require more than one essay.

There is an additional comments section after the short responses.
Some comments you could add to additional comments if applicable
This is not a space for an additional essay.

- *Use the following if you are in the BTI program* - I participated in the Biotechnology Institute (BTI) in 10-12th grade. BTI is a small learning community focused on science and technology. Core BTI classes include science-themed English and social studies, as well as yearly lab science courses, including a dual enrollment Biomanufacturing course with Skyline College in 12th grade. Because of my enthusiasm for science, I chose to participate in this college-prep cross-curricular program, even though it precluded my ability to take Advanced Standing (AS) and AP courses in English and history.
- Indicate any reason why your grades dropped, do not repeat circumstances you addressed in your Personal Essay (e.g. family struggles, concussion, health issues etc)
- If this is true for you - unable to secure a seat for the SAT/ACT as test locations had very limited space due to COVID.
- **Everyone should include this statement :** Our school district converted to Pass/No Pass Spring & Summer 2020. We converted to distance learning for Spring, Summer & Fall 2020. Hybrid learning Spring and Summer 2021.

List of Dual Enrollment courses at Carlmont

Sojourn to the Past

Feather River College

History 172 - Landmarks of Civil Rights 3 units

Biomanufacturing Field work I/II

Skyline College

BTEC 480 Biotechnology Project I 1.5 units (first semester)

BTEC 482 Biotechnology Project II 1.5 units (second semester)

Biotechnology 3 and 4

Skyline credit will be awarded in the spring if both semesters are passed with an 80% or better.

Skyline College
