California Public Higher Education

- California Community Colleges (CCC)– 114 colleges

- California State Universities (CSU) – 23 campuses

- University of California (UC) – 9 campuses (excluding UCSF)

Community College Transfer

- ❑ *The California Community Colleges have transfer agreements with both CSU and UC systems which make it easier for students to transfer from the community college.*
- ❑ *UC admitted 76% of Community College applicants for Fall 2019*
- ❑ *75% of Canada College UC applicants were admitted in 2018-19*

Benefits of the Transfer Pathway

Students choose the transfer path for many reasons:

- *Undecided on academic or career goals*
- *Have not met requirements for freshman admission*
- *Second chance at first choice four year institution*
- *Are not ready or able to leave home*
- *Want the affordability of community colleges **
- *Want additional academic preparation or exploration in specific academic areas*
- *Smaller class size; individualized support services*

*2019-20 Annual Tuition:

- UC \$13,509
- CSU \$ 7,254
- CCC \$ 1,380

Honors Transfer Program (HTP)

- Program for students interested in challenging academic experiences through classes and seminars.
- Excellent preparation for university work.
- All honors courses are open to the entire student population.
- Build relationship with instructional faculty.
- Include on scholarship and transfer applications.
- 3.3 GPA and transfer level coursework required to join the HTP.

Cañada has between 75-100 Honor's students each year.

Honors Transfer Program

- Complete 15 honors units with a 3.3 GPA to get Honors Certification.
- UCLA and UC Irvine give priority admission to HTP certified students.
- HTP students can present research at UC Berkeley or Stanford U Honors Research Symposiums.
- Cañada is a member of the UCLA Honors Transfer Alliance Program (**TAP**) and the Honors Transfer Council of California (**HTCC**).

At the Spring 2019 Honors Symposium, a Cañada student won the top prize – the Heslet Scholar – for his research on Chemical Structural Modification!!

What is the Associate Degree for Transfer (ADT)?

What is ADT?

- Associate Degree For Transfer is a path to CSU campuses
- Students complete all the requirements for transfer and earn an AA-T or AS-T degree in the process
- Degree is comprised of classes only needed for transfer
- GPA bump when applying to the CSU

What are the benefits?

- It offers priority admission to a CSU campus
- AA-T and AS-T students admitted to CSU are guaranteed to complete BA/BS in 60 semester units
- Special advising at the CSU campus and admission to Promise Program on some campuses.

In Spring, 2019, Cañada students submitted 247 ADT petitions; 207 degrees were awarded.
