# Sending of Transcript

- UCs and CSUs will not want your transcript when you apply.
- Counselors will automatically send your Carlmont transcript to Common App schools when they send your Letter of Recommendation (LOR)
- Common App, Coalition Application and Direct to Institution applications that do not need a LOR from your counselor, please request a transcript from Mrs Rasor (if the college requires it during application period).

# Community College Transcript

If you took a community college course (including Dual Enrollment) you might need to send the transcript to your college during application season.

Check with your college if they want the Community College transcript.

If you need to send a Community College from either CSM, Canada or Skyline you can access and order that through your San Mateo Community College District websmart account.

Have your Community College transcript available when working on your applications.

Questions?? Ask Mrs. Rasor from your College &  
Career Center [nrasor@seq.org](mailto:nrasor@seq.org)
