Sending of Transcript

- UCs and CSUs will not want your transcript when you apply.
- Counselors will automatically send your Carlmont transcript to Common App schools if your college requires a counselor Letter of Recommendation (LOR). Have you asked your counselor for a letter?
- If your Common App college requires a School Report and NOT a counselor LOR, inform your counselor. The School Report includes your transcript
- Coalition Application and Direct to Institution applications that do not need a LOR from your counselor, please request a transcript from Ms. Pratap (if the college requires it during application period).
- The key to this process is communication.

Community College Transcript

If you took a community college course (including Dual Enrollment) you might need to send the transcript to your college during application season.

Check with your college if they want the Community College transcript.

If you need to send a Community College from either CSM, Canada or Skyline you can access and order that through your San Mateo Community College District websmart account.

Have your Community College transcript available when working on your applications.

Any Questions??

*See your counselor or ask Ms. Pratap from your
College & Career Center ppratap@seq.org*
