However...

- Test scores could still be considered for other purposes such as course placement or certain scholarships.
- **Some private and out-of state public universities might require the SAT or ACT for admissions.** Please check your potential college lists for their SAT / ACT status.

FAFSA / Dream Act

State requirement (AB 469) families are required to complete the FAFSA/CADAA.
Opens Oct. 1st and closes March 2nd. Workshops will be available!

Reasons students should apply for FAFSA/Dream Act -

- FREE tuition at the Community College (CA Promise)
- Money for college, university or vocational program
- Consideration for student loans (with typically lower interest rates), work study (to work on campus) and state or federal money.
- Some private scholarships require a FAFSA/Dream Act completion as part of their application/scholarship process.
- Even if you think you may **NOT** qualify for any financial aid, if there's an unforeseen financial situation at home during the school year, the FAFSA/CADAA must be filed to be reconsidered for financial aid
