Your ticket to affordable out-of-state college in the West

What Is WUE?
WUE is the Western Undergraduate Exchange, a program coordinated by the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in Western states may enroll in participating two-year and four-year public college programs at a reduced tuition level: up to 150 percent of the institution’s regular resident tuition. In all cases, WUE tuition is considerably less than nonresident tuition. For answers to many of the commonly asked questions about WUE, visit wiche.edu/askwiche.

Which States and U.S. Territories Participate?
Resident students from the following states and U.S. Territories may participate, if they meet eligibility requirements:

Eligibility
Many institutions require evidence of academic performance, such as ACT/SAT test scores or high school GPA, or place other conditions on WUE enrollment. Consult the WUE website for details.

Programs Available
Virtually all undergraduate fields are available to WUE students at one or more of the participating colleges and universities. Some institutions have opened their entire curriculum on a space-available or first-come, first-served basis. Others offer only designated programs at the discounted WUE rate. To learn about the wide array of programs available, consult the WUE Savings Finder at wuesavingsfinder.wiche.edu. For additional details, follow the links to the enrolling institutions’ websites.

Application and Admission
Apply directly to the institution(s) of your choice for admission and WUE tuition status. Mark prominently on the institution’s application form that you seek admission as a WUE student.

More Information
Information about specific programs offered through WUE can be obtained from the admissions office of participating institutions. Information about student eligibility and the operation of the program in any state may be obtained from the state contact offices listed on page four of this handout.

WUE Contacts in Participating States and U.S. Territories

If you’re interested in applying as a WUE student, go to www.wiche.edu/wue and click on the database. The profiles of our participating institutions will give you their eligibility requirements, application deadlines, majors available at the WUE rate, and more. If you still have questions, you may want to call the people who oversee WUE applications at the institution where you want to apply – most often you will need to talk with someone in the office of admissions. We strongly encourage you to read our “ASK WICHE” WUE FAQ; it will answer most of your general questions about WUE.

WUE applicants must prove that they are a resident of one of the WICHE member states to the enrolling institution’s satisfaction. If you have already worked with the institution’s residency office and still need assistance verifying your home state residency status, your state office may be able to assist.
